

THE NEW WAY TO GET VITAL DATA ON LIVESTOCK HEALTH

- *Get a Daily Report direct to your phone.*
- *See the percentage change in water consumption from day to day. A drop can indicate a serious problem about to happen.*

- *Plugs directly into a Select doser – no further connections necessary. Or can be stand-alone with any flow sensor.*
- *No future data fees, no international fees – the data is yours and comes directly to your phone and your computer.*
- *Also records temperature and switch connections.*
